This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of two complaints from the Loving Care Agency, Toms River, NJ ("LCA") alleging the theft of money from two clients J.B. and M.B., by Danielle Debbe, C.H.H.A. ("Respondent") between June 9, 2011 and September 5, 2011, while employed as a CHHA by LCA. Reports of the theft were filed by the clients with their local police departments. Respondent's employment at LCA was terminated in September 2011 based on these reports. Respondent admitted to having used M.B.'s ATM card but

claimed that she used it by mistake, thinking it was her own card. Respondent returned the money to M.B. the next day. Respondent stated that she had no recollection of the incident involving the theft of cash from J.B. Respondent admitted that during her employment at LCA and specifically while assigned to J.B. and M.B., she was heavily using drugs (marijuana, Xanax, Roxicodone, Ecstasy), was a drug dealer, and was impaired. Respondent stated that she was unable to recall anything that occurred during the time she was providing care to J.B. and M.B. because she was "high". Respondent also stated that she has been sober since October 3, 2011, is studying psychology/neurology at Ocean County College and no longer wishes to work as a CHHA.

These facts establish a basis for disciplinary action pursuant to N.J.S.A. 45:1-21(e) in that Respondent engaged in professional misconduct.

The parties having agreed and consented to the resolution of this matter without the necessity of the Board instituting further formal proceedings, and the Board finding the within disposition adequately protective of the public health, safety and welfare, and other good cause having been shown;

IT IS, on this 17th day of January, 2014,

ORDERED AND AGREED that:

Respondent voluntarily surrenders her certificate to practice as a homemaker-home health aide in the State of New

Jersey, effective immediately, such surrender deemed a
revocation. Respondent shall not hereafter apply for
reinstatement of her certification.
